EDUCATION

Bachelors in Computer Science
Foundation for Advancement of Science and Technology (FAST), Lahore

08/2019 - Present

Intermediate
KIPS College, Lahore

08/2017 - 05/2019

Courses
- F.Sc

PERSONAL PROJECTS

Candy Crush Game (10/2019 - 12/2019)
- This is the first project assigned to me in the course 'Programming Fundamentals'. It was a fun project that made me proficient with the use of 2-D arrays in C++.
- At the time, I got the highest marks in my class for this project.

Duplicate of Flex (04/2020 - 05/2020)
- This project was assigned to me for the course 'OOP'. It really helped me understand the fundamental concepts of Object Oriented Programming and bring them to fruition.

Learning Management System (12/2020 - 01/2021)
- LMS was the first major project I did in JAVA. It did not include database integration rather we had to implement it with filing. I also got my first taste of GUI with 'Spring' in this project.

Wikipedia Replica (06/2021 - 10/2021)
- I picked up this project to improve my skills in Data Structures. I ended up implementing the pages as nodes in a graph and the user information as a hash map.

Voting App (01/2022 - 02/2022)
- This project was assigned to me during the Full-Stack development bootcamp with DEVSINC using 'Ruby on Rails'. That makes it my first comprehensive web application.

Hotel Management System (04/2022 - Present)
- My latest project is from the course 'Advanced Programming' where I develop a HMS website. The technologies being used are React JS for frontend, mySQL for database and Java Swing for backend.

SKILLS

OOP · Algorithms · Database · Software Engineering · Software Design and Analysis · C++ Development · JAVA Development · React JS Development · Python Development · Communication and Presentation Skills · Critical Thinking and Problem Solving · Teamwork · Eagerness to learn · Time-management

CERTIFICATES

Certificate of Completion of Ruby on Rails by DEVSINC (01/2022 - 02/2022)

A Full-Stack Development course taught by DEVSINC in which only the top 10 students got the 'Certificate of Completion'.
